خلاصه مقاله:

Abstract: the present article aims at reviewing the role of father in religious and social training of a child based on verses of Quran to show the behavior of infallibles with children. The results can show us the place of children in life, and what is the role of a father in religious and social construction of a child. Contemplating on these verses, it can be inferred that a child is a blessing of God, Mercy of Him, the cause of happiness, and the role of fathers in child training is undeniable.
