

## عنوان مقاله:

(Conference Proceedings of the 1st International Conference on Holography and its Applications (ICHA), ۲۰۲۲)

## محل انتشار:

مجله کاربردهای هولوگرافی در فیزیک، دوره 2، شماره 0 (سال: 1401)

تعداد صفحات اصل مقاله: 87

## نویسندگان:

Shahin Sheikh-Jabbari - *School of Physics, Institute for Research in Fundamental Sciences (IPM), Tehran, Iran*

Sean A. Hartnol - *Cambridge University, Cambridge, UK*

Shiraz Minwalla - *Tata Institute of Fundamental Research, Mumbai, India*

Christopher P. Herzog - *King's College, London, UK*

Bernard S. Kay - *University of York, UK*

Prabir Rudra - *University of Calcutta, India*

Haidar Sheikhamadi - *Center for Space Research, North-West University, Mahikeng, South Africa*

Teruaki Suyama - *Tokyo Institute of Technology, Japan*

Seiji Terashima - *YITP, Kyoto, Japan*

Latham Boyle - *Perimeter Institute for Theoretical Physics, Canada*

Neil Turok - *Higgs Centre for Theoretical Physics, James Clerk Maxwell Building, U*

Ruben Campos Delgado - *Bethe Center for Theoretical Physics and Physikalisches Institut der Universität Bonn, Germany*

Kevin Nguyen - *Department of Mathematics, King's College London, London, United Kingdom*

Christian Northe - *Institut für Theoretische Physik und Astrophysik Würzburg, Germany*

Ronald Rodgers - *Nordita Sweden*

Kazem Bitaghsir Fadafan - *Shahrood University*

Andy O'Bannon - *Southampton University*

Amjad Ashoorioon - *School of Physics, Institute for Research in Fundamental Sciences (IPM), Tehran, Iran*

Lorenz Eberhardt - *School of Natural Sciences, Institute for Advanced Study, Princeton, USA*

Yue-Zhou Li - *Department of Physics, McGill University, Canada*

Hossein Ghaffarnejad - *Semnan University, Semnan, Iran*

Elham Ghasemi - *Semnan University, Semnan, Iran*

Sudhaker Upadhyay - *Department of Physics, K. L. S. College, Nawada, India*

Yago Bea - *Department of Physics and Helsinki Institute of Physics, University of Helsinki, Finland*

Ludovic Ducobu - *University of Mons, Belgium*

Sebastian Bahamonde - *Department of Physics, Tokyo Institute of Technology, Tokyo, Japan*

Sinong Liu - *Faculty of Physics, University of Warsaw, Poland*

Shaun Hampton - *Institut de Physique Theorique, Universite Paris Saclay*

Sumit Das - *University of Kentucky*

Maity Pronobesh - *International Centre for Theoretical Sciences-TIFR, India*

Vinayak Raj - *Indian Institute of Technology Kanpur, India*

Arash Ardehali - *Stony Brook University, Stony Brook, New York, USA*

Niayesh Afshordi - *University of Waterloo, Canada*

Gabriel Cuomo - *Simons Center for Geometry and Physics, SUNY, Stony Brook, NY USA*

.Behnam Pourhassan - *School of physics, Damghan University, Damghan, Iran*

Saeed Noori Gashti - *Department of Physics, Faculty of Basic Sciences, University of Mazandaran*

Jafar Sadeghi - *Department of Physics, Faculty of Basic Sciences, University of Mazandaran*

A. S. Sefiedgar - *Department of Physics, Faculty of Basic Sciences, University of Mazandaran*

Shahin.A. Mamedov - *Institute for Physical Problems, Baku State University, Baku, Azerbaijan*

Shahnaz.I. Taghiyeva - *Theoretical Physics Department, Physics Faculty, Baku State University, Baku, Azerbaijan*

Mehdi Sadeghi - *Department of Physics, School of Sciences, Ayatollah Boroujerdi University, Boroujerd, Iran*

Ali Banijamali - Babol Noshirvani University of Technology, Iran

Fabiano Francisco Santos - Instituto de Física, Universidade Federal do Rio de Janeiro, Brazil

Hoda Farahani - School of Physics, Damghan University, Damghan, Iran

Sara Saghafi - Department of Theoretical Physics, University of Mazandaran, Babolsar, Iran

Kourosh Nozari - Department of Theoretical Physics, University of Mazandaran, Babolsar, Iran

Narmin Nasibova - Institute of Physics, Azerbaijan National Academy of Sciences, Baku, Azerbaijan

Saheb Soroushfar - Yasouj University, Iran

Mahasweta Biswas - Indian Institute of Engineering Science and Technology, Shibpur

Sayani Maity - Indian Institute of Engineering Science and Technology, Shibpur

Ujjal Debnath - Indian Institute of Engineering Science and Technology, Shibpur

Nicola Losacco - Università degli studi di Bari, Italy

Pietro Colangelo - National Institute for Nuclear Physics, Italy

Fulvia De Fazio - National Institute for Nuclear Physics, Italy

Parisa Soleimani - Research Institute for Applied Physics and Astronomy, University of Tabriz, Tabriz, Iran

Habib Khoshsiman - Research Institute for Applied Physics and Astronomy, University of Tabriz, Tabriz, Iran

Mohammad Yeganeh - Department of Physics, Institute for Advanced Studies in Basic Sciences (IASBS), Zanjan, Iran

Elaheh Naghd Mezerji - Department of Physics, Faculty of Basic Sciences, University of Mazandaran, Babolsar, Iran

Tahereh Azizi - Department of Physics, Faculty of Basic Sciences, University of Mazandaran, Babolsar, Iran

Behnaz Fazlpour - Islamic Azad University, Babol Branch, Iran

## خلاصه مقاله:

(It is the Conference Proceedings of the 1st International Conference on Holography and its Applications (ICHA1, ۲۰۲۲)

## کلمات کلیدی:

Holography
