عنوان مقاله:

Chebyshev collocation spectral method for quadratic Riccati differential equation

محل انتشار:

كنفرانس بين الملَّلي مدل سازي غير خطى و بهينه سازي (سال: 1391)

تعداد صفحات اصل مقاله: 5

نویسندگان:

L. Gharacheh

خلاصه مقاله:

Chebyshev spectral collocation method is developed to solve the riccati equation. These solutions are also compared .with some results of homotopy analysis method which show that efficiency of proposed method

کلمات کلیدی: Chebyshev spectral collocation method; Quadratic Riccati equation
