Dynamical stability of bi-directionally graded moving beams

محل انتشار:

فصلنامه مکانیک جامد, دوره 16, شماره 1 (سال: 1402)

تعداد صفحات اصل مقاله: 34

نویسندگان:

Mohammad hasan babaei rochi - Department of Mechanical Engineering, South Tehran Branch, Islamic Azad University, Tehran, Iran

Jalil__-_Jamali Jalil__-_Jamali - Mechanical Engineering Departments, Shoushtar Azad University, Shoushtar, Iran

خلاصه مقاله:

كلمات كليدى:

.Free vibration; Functionally graded axially moving beam; Instability; Differential quadrature method; Higher-order shear deformation theory
