## خلاصه مقاله:

Amir Khosrow Dehlavi as one of the greatest and the most successful followers of Nezami's Khamse in the Indian Subcontinent is narrator of Nezami's stories and words or he could creat different work to Nezami's Khamse with his taste and creativity? A look at the content of Amir Khosrow's Khamse and Nezami's Khamse shows that although Amir Khosrow has repeated many images and themes of Nezami in his Khamse but sometimes with his poetical taste and artistic creativity has related some parts of his Masnavis different to Nezami's Khamse . Therefore his khamse in addition to that shows the colour of imitation of Nezami , is indicative of artistry and creativity of the poet in creating . attractive and enjoyable images
