## خلاصه مقاله:

The right to counsel in criminal trials is the most important conditions of a fair trial process. This requires the right and another right that is a prelude to the implementation of the "right to defense" is called. Code of Criminal Procedure of 2013, is a range of developments in relation to the presence of lawyers in the preliminary investigation that some of these changes has been a stone's rights of defense and others opposed to it and is also contrary to the principle of freedom and independence of individuals and legal counsel. Thus, the present paper deals with the explanation and analysis of new regulations and changes in the law of criminal procedure in the presence of lawyers in criminal courts
