خلاصه مقاله:

In this paper we introduce some new applications of G-type domains to proving some important theorem about strong G-type domains and Krull domains, in addition we have classify the Noetherian G-type domains in the field of commutative algebra, by this concept we have extended some of basic properties on prime ideals to G-type prime ideals

کلمات کلیدی:

G-type domain, G-type ideal, Strong G-type domain, Locally CQR domain, Noetherian G-type domain
