

عنوان مقاله:

Dynamic approaches for subgrid scale modeling in large eddy simulation of compressible turbulent duct flow

محل انتشار:

هفدهمین کنفرانس سالانه مهندسی مکانیک (سال: 1388)

تعداد صفحات اصل مقاله: 8

نویسندگان:

s rezaei ravesh - MSc. Student of mechanical eng

r kamali - assistant professo of mech

h emdad - assistant professor

خلاصه مقاله:

Large eddy simulation (LES) of wall bounded compressible turbulent flows has been rarely done . In this method ,
.subgrid scale(SGS) modeling has a vital role for correct simulating of turbulent flows

کلمات کلیدی:

large eddy simulation, dynamic SGS modeling , dynamic eddy viscosity model , dynamic mixed model , compressible
turbulent flow
